CASES=2

No	Case Number	Description
1	20151029001	Soldier was attempting to pass another vehicle from the opposing lane when he apparently lost control and crashed into the guard rail. Soldier was wearing PPE and initial indications are that he was trained. Roads were reported damp and speed was presumably not a factor.
2	20151022002	Two Soldiers were involved in a collision on the interstate highway while riding motorcycles together. Both were wearing PPE and were currently trained but one Soldier was fatally injured as a result.
